## OLD BUSINESS:

1.All Candidates Meeting - report sent in by Kathleen

Thank you to so many people that made the AC mtg on October 3rd such a great success. We had more than 60 people attend, which has been one of the biggest turn outs at the School Board Trustee AC meetings.

The AC DPAC committee of Vidyha, Karon, Beth and myself sorted through more than 37 questions and were able to combine, rework and reword these into 8 fantastic questions for the candidates. Brennan was also part of the committee, but did not attend the question meeting as his wife is one of the candidates.

Vidyha - thank you for doing up all of the signs - it made it much easier for everyone to navigate where they were going.

Hilla \& Alexandra - thank you for managing the refreshment table. Some of the student volunteers seemed extremely pleased to be sent home with tasty left overs. Please forward your receipts to Brennan for reimbursement.

Thank you also, Hilla, for the recommendation for candidates to introduce themselves. After your suggestion, each candidate was announced.

Brennan - thank you for ALL the behind the scenes work you did. Advertisement / flyers / media / newspaper, / managing the recycling area / working with the students / helping with the speaker / chair \& table moving / clean up / and for your awesome suggestion of getting the students involved!

Karon - thank you for your support and help with set up / projector - wonderful for the audience and candidates to be able to read, and for your support while addressing the audience

It was an awesome evening- one we, as DPAC should be proud of hosting. I will be forwarding thank you cards to Kathleen Higgins, each student volunteer, Gabriel Forsyth (teacher) and John Tyler (principal at NWSS). DPAC will also be sending a $\$ 25$ gift card to Kathleen H.

I was very impressed with many of the student volunteers and was proud of them for being such a big part of this event. Future politicians - maybe?

- Organizers were appreciated by Garry from FW Howay Elementary
- He felt that more questions per candidate would have been be nicer
- Deadline to answer questions by the candidate is Oct $10^{\text {th }}$
- There was a special mention of Kathleen and Karon for their contribution towards the all candidates meeting

2. Hume Park Home Learners:

- Josh Angiola, Math and Science Curriculum Facilitator gave ideas and simple manipulatives to understand Math
3.Kathleen was great in organizing all candidates meeting. Credits to her - (Karon and other DPAC members)
