**Hon. Aman Singh, MLA**

12560 Bridgeport Rd  
Richmond, BC V6V 2N5

Hello Hon. Aman Singh,

This letter comes on behalf of the New Westminster SD40 District Parent Advisory Council, and we hope to find you well in this new year.

One of the primary goals of New Westminster DPAC is to facilitate better communication between parents and major stakeholders in our public education system, including the district, teachers, administrators, and our elected representatives. We want to ensure parent concerns and issues are brought to the forefront.

Our DPAC holds monthly meetings that are open to all parents across the district. We would like to extend a warm invitation to you to attend our upcoming general meeting on **February 16th at 7 pm at Queen Elizabeth Elementary School** to meet with parents and caregivers from your riding and answer questions they have about education and safe transportation to schools. We think this would be a wonderful opportunity for our Queensborough parents and caregivers to meet and hear from their MLA in a candid format. Our meetings are a hybrid format, so attendance is possible both in person and virtually. If this date and time does not work for you, we welcome the opportunity to find one that does.

If you are able to confirm your attendance at the above mentioned upcoming meeting, please let me know at your earliest convenience.

We look forward to your reply.

Sincerely,

Laura Kwong

SD40 DPAC Chair
